**Dear Members of Boulder Lake Club:**

We want to thank everyone for helping us get through a trying season. The dam is fixed, the lake is filling and we are looking forward to the 2023 season.

Our goal, weather permitting, is to open a little earlier next season, possibly May 13<sup>th</sup>. Please keep checking our website [www.boulderlakeclub.com](http://www.boulderlakeclub.com) or our Facebook page for updates.

Each year we implement improvements at the Lake Club. Last season we revamped the playground area to a Family Fun Area. Members enjoyed tennis, ping pong, corn hole, badminton, volleyball, and the new picnic area etc. We plan on expanding this area in 2023 with additional games. The club is also focused on building programs and events to engage members. Christmas in July with Santa coming across the lake in a puff of red and green smoke was a big hit. Fishing with Kenny on Sunday mornings was also popular. We will update everyone in the spring with regards to changes for the upcoming season

The 2023 Application for Boulder Lake Club is now available on our website under **Member Info**. If you own a boat, all slip and storage contracts can be found on that page too. Get a head start on the 2023 season. Submit your completed application and slip and storage contracts now.

Should you have any questions, please contact Lisa at 570-656-5139 or [lisab@brreco.com](mailto:lisab@brreco.com). The Lake Club telephone will be unattended through the Winter months.

We are hoping everyone enjoys a great ski season and we will see you all in the Spring!

Sincerely,

**Boulder Lake Club Management Team**
