Dear Member,

Happy Holidays! We wanted to take a moment to thank you for a wonderful year at the Lake Club.

This year was quite a challenge. This past spring, we replaced the dock at Midlake due to ice damming. Thankfully, the new dock was delivered and installed in time for the start of the season. We also added quick disconnects, allowing us to move the dock to shore for the winter months to prevent damage. *Please remember not to walk on the dock while it is stored on the shoreline.*

As we look ahead, please note that the 2026 dock fees have increased, and because Midlake is considered a premium location, the pricing for this dock has been adjusted accordingly.

We have also experienced an increase in trespassing during hours when the Lake Club is closed. To help address this issue, we've installed fencing, signage, and cameras. Anyone who is caught trespassing after hours will be prosecuted. Please ensure your guests understand that they may not access the facility when it is closed.

A friendly reminder that all individuals accessing the lake must be Lake Club members or registered guests who have signed the required liability forms. If you own a kayak rack, anyone using your kayaks must also be listed on your application or be a registered guest with the proper forms completed. All kayaks, paddleboards, and canoes must be registered and display a 2026 Lake Club sticker. Stickers are available through the office staff.

We are also excited to share that four new pickleball courts will be added next season! Membership for the courts is optional and will involve an additional fee added to your current dues if you want to add this to your membership. Throughout the winter, we will be finalizing the details, with a goal of opening the courts by July 1st. We will keep you updated on our progress.

This year's Boat Parade was our largest yet—thank you to everyone who participated! With so many creative entries, choosing a winner was no easy task.

Looking ahead to next season, we plan to bring back member favorites including the Boat Parade, Christmas in July, beach parties, a pickleball tournament, and specialty food trucks. If you have additional ideas or suggestions, we would love to hear them.

Attached, please find the 2026 membership application. Due to rising operational costs, both membership and dock fees will be increasing for the upcoming season.

Thank you again for your continued support. We look forward to another great year at the Lake Club!

Regards,

Fred Millan
