Dear Members of Boulder Lake Club:

As the season winds down to a close, we would like to thank everyone for a great Summer. Thank you for making our events a success. The Boat Parade, Summerween the Corcl Races, just to name a few, were amazing. The kids really enjoyed Summerween. A big thank you to all the homeowners who participated in making their Summerween day so special!

We will be open regular hours through Monday, September 2. After September 2, the Lake Club will be closed weekdays and open Saturdays and Sundays from 10 am to 5 pm, September 7-8 and September 14-15, weather permitting.

“Band on the Beach” is our last event being held on **Saturday, September 7 from 2 pm until 6 pm**. Come out to enjoy the music, fire pits and food. This is our end of Summer celebration!

We will begin storing boats on September 6. Please pay your storage fees as soon as possible. **Payment for storage is due by September 30th.**

Please call us to let us know when, and after what date, we may store your equipment so that we can plan our equipment storage schedule. If you no longer will be using the lake this season, please let us know now so that we may put your boat/kayak away before the freezing temperatures arrive. We power wash all equipment before it goes into storage. Don't think that waiting to put your boat in storage last, will mean your boat will be out of storage first so you may use it. No one may use their equipment until everyone's equipment is out.

The last day to use your equipment is Monday, October 14, which is Columbus Day.

Any questions or concerns call the Lake Club office at 570-722-0133 or Lisa's cell at 570-656-5139.

Sincerely,

The Boulder Lake Club Management Team
